### Turn Over New Leaf.

Would it not be a splendid idea for the officers of our city, both municipal and ecclesiastical, to get together on the proposition of appropriately celebrating the legal holidays of the year as they come in order on the calendar? Most of the cities of our state observe Arbor Day and Decoration Day in fitting style as well as all other legal holidays. Our town is a little slack in this respect. Governor Wm Spry has proclaimed Arbor Day, April 15th, as a legal holiday and recommends that the day be observed in an appropriate manner. He will also issue a proclamation requesting the people of the state to observe Decoration Day in fitting style.

What would be more appropriate than a public gathering on the afternoon of Arbor Day at which gathering a fine program suitable to the day would be carried out?

Even if we pass up Arbor Day and dispense with public services, don't let us see another Decoration Day pass by without holding public services and carrying out an excellent program suitable to this all important day.

Near the end.
